

Mentor Related Reading

The Tulane Maternal and Child Public Health Leadership Training (MCPHLT) Program has compiled a short list of readings for faculty, staff and community members who serve as peer or student mentors or practicum preceptors. This list provides an introduction to the topic and will grow as we identify further useful readings. We welcome reviews and suggestions.

Carnes M, Morrissey C, Geller SE. Women's health and women's leadership in academic medicine: hitting the same glass ceiling? *J Womens Health*. 2008 Nov; 17(9): 1453-62.

Detsky AS, Baerlocher MO. Academic mentoring-how to give it and how to get it. *JAMA*. 2007 May 16; 297(19): 2134-36.
